The Auction

Enjoy the thrills of a live auction led by professional senior auctioneer Ian Atkinson of Hawes Farmers Auction Mart. With over 80 lots, there will be something for everyone. The bar will be flowing, and food will be included with your ticket.

Garstang Community Sports Club would like to thank all the local organisations and individuals who have generously donated auction lots. The auction is a key part of the fundraising activities for the much-needed funds for the redevelopment of the clubhouse. The kindness and generosity of the local community and business is overwhelming, and we are exceptionally grateful. We thank everyone for their support in attending tonight, donating auction lots, or participating in the bidding process. All the proceeds from tonight will go directly to the development. Thank you all!

After months of hard work, thanks to your kind support we have started building! We still have £85,000 left to raise to complete phase one of work however we are determined to get there! Once we have raised the remaining funds our new facilities will open in Spring 2025!

Redevelopment Project

In September of this year, after significant work by the whole community spades went into the ground for our full extension, this paves the way for new changing rooms which can be utilised by all the clubs, disabled facilities, match official spaces, a new community meeting room and a renovated and expanded main function room. The amount of support we have had from the local community has been overwhelming, and we really do appreciate the huge effort that has gone in from everyone.
